

CHATSWORTH READER

Height: 3 "
 Width: 5 1/2 "
 Depth: 5 1/2 "
 Weight: 1 lb, 9 oz.

The Chatsworth Optical Card Reader is the perfect match for **Audition Manager**. The reader may be one of the best values on the market today. With other readers costing thousands, the ACP 100 cost less than \$1,000. Check current pricing

It easily connects to your Mac or PC via a USB port. Drivers are included with the **Audition Manager** software.

Cards: 3 1/4" x 11"

CHATSWORTH CARDS - FRONT

If you have more than one judge per audition, each judge will mark his ID number here.

Write the student's ID# here.

Bubble the student's ID# here.

Judges should write the name of each line's scoring area on a blank form so that they can remember the scoring areas.

Judges should mark each line with one pencil or pen mark. Erasures must be complete. If errors are marked, the Chatsworth will appropriately refuse to score.

BARKEN, INC.
3210 Magevney
Memphis, TN 38128-6533

Sales 901-382-7570
901-486-2307 (cell)

Technical Support 901-454-0842
800-579-1264

When the audition is over, turn the card over so that the student cannot see his score and have him sign the card just in case someone bubbled his ID# incorrectly.

Audition Manager will generate a label for each student with complete student information for you to attach to the back after the audition.
